

# ALKAVIVA ULTRAWATER<sup>®</sup>

**Uncompromising filtration results.  
Safety you can count on.**

UltraWater has raised the bar on the water ionizer industry with internal filters that reduce to non-detectable levels an exhaustive list of the toughest to remove contaminants. When it comes to healthy alkaline, ionized water, it's not healthy if it's not CLEAN!

Chlorine, Chloramine	Pharmaceuticals
Fluoride	Pesticides and Herbicides
VOCs	Chemicals found in wastewater
THMs	
Heavy Metals	

**Don't settle for less!**

**Clean.**

The only domestic filter that reduces up to 99.9% lead, arsenic, fluoride, and other harmful contaminants to 99.9%.

**Safe.**

Only water ionizer filter to be tested in an US EPA / NELAP Certified Independent Laboratory to government standards.

**Research.**

The only water ionizer filter created using WQA certified water specialists, engineers and doctors.

**Natural.**

100% chemical free, all-natural and sustainable media.

**Green.**

Say NO to bottled water forever!

**Opportunity.**

Create an income stream by helping others enjoy clean AND healthy water.

**Cleaner • Greener • Healthier • Smarter**
