The Fine Print*

- For customers only. AlkaViva Dealers not eligible.
- FREE filters are on an as needed basis (not all at once). Filter replacements to be at least 6 months apart. Recipient must call Customer Service to order free replacement filters upon expiration of current filter(s). Offer does not include the .01M Filter for well water. Free filters must be claimed within 5 years from the date of the qualifying ionizer purchase.
- Single filter models (Melody, Venus, Delphi, UltraDelphi, Aquarius, Orion, Mavello, Microlite, and Neptune). Offer includes (not to exceed) five single replacement filters. Your choice of UltraWater, BioStone Plus or BioStone Basic.
- Offer includes (not to exceed) five complete dual filter sets. Athena Classic and Vesta GL - A complete set consists of your choice of an UltraWater, BioStone Plus or BioStone Basic Filter along with two Sediment Filters. H₂ Series - Complete set consists of H₂ Series Pre-filter and UltraWater Filter. When filter configuration includes the Fluoride Shield option, customer will receive three complete sets only (due to the high cost of the Fluoride Shield).
- To claim the 20% discount and filter replacement offer, the purchaser of the ionizer must mention the referring customer's name so we can track it for you.
- This is a one-time only offer.
