

Use this test strip to TEST YOUR WATER!

BEFORE
you install
your ionizer

Easy Instructions:

Dip into water sample for 3 seconds. Remove, do not shake. Wait 20 seconds and then match with closest color block. Colors are stable for 1 minute.

If test strip is this color:		You need to order:
	50 ppm or less	We recommend UltraWater Filter
	51 ppm to 120 ppm	EOS Scale Guard Inline Filter
	121 ppm to 180 ppm	
	181 ppm to 250 ppm	
	251 ppm to 425 ppm	AlkaViva Ultra Spartan
	Over 426 ppm	AlkaViva R. O. Sys. w/ Re-mineralizing Filter
